

Accessions at the State Archives of North Carolina

May 2017

Contributed by Debbi Blake, Collection Services Section Manager, Division of Archives and Records

This is a partial listing of accessions at the State Archives of North Carolina. For a complete listing, please see the archives web page at <http://archives.ncdcr.gov>. **Please be aware that not all of these records are currently available for research.** Cards will be placed in the card catalog or entries made in the appropriate finding aids when these items have been arranged and are ready for research.

- **ATM:** a listing has been accessioned previously, but is being accessioned again because either new material has been added or there has been a change in accessioning data.
- **FRO (For Record Only):** changes have occurred in the accessioning record only.
- **OBHC:** the item is maintained in the Outer Banks History Center in Manteo.
- **WRA:** the collection is housed at the Western Regional Archives in Asheville.
